

Lexington Man Injured In Three Car Turnpike Crash

A Follen road Lexington man was taken to Symmes Hospital, Arlington, by police ambulance and later transferred to the Massachusetts General Hospital and a Billerica man was treated at Symmes for injuries resulting from an accident on the West side of "Belmont Hill" at 4 p.m. during Tuesday's snowstorm.

Robert Vande Graaf, Follen Rd. Lexington, was treated at Symmes for a compound fracture of the right leg, and later moved to the Boston hospital. Stanley Conley Jr., Woodbury road, Billerica, was treated for injury to his right leg and later released.

The accident occurred, according to police, when the Woodbury car heading west on the Concord Turnpike, was forced to stop for a car in front of him. As he did his vehicle was struck in the rear by a car operated by Robert Vande Graaf.

As the two drivers were standing between the cars checking for damage, a third vehicle, operated by James Duckworth of Maynard was in collision with the Vande-graaf car, pinning the two drivers between the cars.

In a second accident later in the night Joseph Preston, 64, of 32 Allen street, claimed injuries when he was struck by a snow plow while cleaning snow off the car owned by Anna Preston of Allen street.

The snow plow was operated by Theodore Campo, Somerville, and was owned by Halloran Company, Mystic street, Arlington.

Meanwhile, three Arlington Town Employees injured in a train-truck crash at Ryder street crossing last week, were reported in good or fairly good condition at Symmes Hospital.

New Citizens Committee Selects Mrs. Spengler

Announcement was received early this week of the final steps in the formation of a "Citizens for Town Management". This group is the outgrowth of a recognition by its members of the need for informed, positive support of the Town Management form of government so long as that form of government has been chosen by the electorate.

Officers elected at a recent meeting include: F. Lawrence Doherty, Chairman; Mrs. Gordon P. Thompson, Vice Chairman; Mrs. Francis Chamberlain, Treasurer; Miss Murdena Campbell, Secretary. Appointed to committees were: Mrs. Milton H. Anderson, Membership Organization, and Mr. Milton H. Anderson, Publicity and Public Relations.

The stated purpose of the committee is: "1. To support and strengthen the Town Management form of government. 2. To disseminate information to the citizens of Arlington concerning the progress of that form of government. and 3. To select and support candidates for public office who have indicated their support of the Town Manager form of government and who are qualified to contribute to continued improvement in Arlington's government."

This organization distinguishes itself from one previously formed to assist in the acceptance by the voters of the Town Management form of government, principally in the last of its stated purposes; that of selecting and supporting candidates for public office. Members of the previous committee, however, are invited to join this.

Former Chief Died Suddenly

Daniel Tierney, 8 Robbins road, Arlington, Fire Chief in this Town for over fifty years died suddenly at 1:15 a.m. Friday morning.

The former chief joined the Arlington Fire Department in 1896 and was retired in 1948 after 52 years of service. He had served as chief from 1923 until his retirement.

During his long period as chief of the local department Mr. Tierney had been active in the organization of State Fire Rules and Regulations.

He was succeeded as chief by his brother Richard in 1949.

Surviving are his wife, Katherine (Russell) 81, two brothers former chief Richard and John both of Arlington; and three sisters, Ellen Tierney and Mrs. Alice Quinn of Arlington, and Sister St. Aloysius of Sister of St. Joseph's Brighton.

Funeral services were held from the Saville Funeral Home, 418 Massachusetts avenue, Monday with a high mass of requiem at St. James Church, Arlington, at nine o'clock.

Hardy PTA Plans Dancing Classes

An adult ballroom dancing group sponsored by the Hardy PTA, is being planned starting January 26, from 8:30 to 9:30 p.m. The classes will be taught by Mildred O'Neil MacDonald of the O'Neil Sisters Dance Studios and will be given in a series of five lessons for couples only (man and wife or two ladies) on alternating weeks, with a dance to be held on the sixth night.

Anyone interested is asked to contact Mrs. Beatrice Rogers, 3 Freeman street, MI 3-1803.

FOOD SALE

The Women's Aid Association of the Symmes Arlington Hospital will hold a sale of home-cooked food beginning at 10 a.m. on January 26 at the Touraine Store in Arlington. Mrs. Francis Keefe is chairman.

Mrs. Spengler Candidate For Arlington Selectmen Post

Mrs. Kenneth C. Spengler, 189 Jason street, Arlington, will be a candidate for the office of Selectmen in the coming election, it was announced early this week. Announcement came from Lawrence Doherty, Chairman of the newly formed "Citizens for Town Management" who are sponsoring her campaign.

She is the mother of four children, three of whom are enrolled in the Arlington schools. Mr. Spengler is Executive Director of the American Meteorological Society, and, as one of the nation's outstanding authorities on meteorology, has been appointed by President Eisenhower to the Advisory Committee on Weather Control.

Mrs. Spengler is the holder of a B. S. degree and, before coming to Arlington served as a high school teacher, social service worker, and personnel interviewer under civil service. During the war she was Assistant Personnel Director for the Air Forces at Bolling Field, Washington, D. C.

Since coming to Arlington Mrs. Spengler has been active in many civic affairs. She is past president of the Parmenter PTA, was a member of the Arlington Board of Public Welfare, Arlington representative for the Junior Red Cross, and a member of 1950-51 Town By-Laws Committee. She has also been active in the Community Fund, Heart Fund, Polio and Cerebral Palsy organizations as well as serving the Boy Scout movement as a Den mother and Committee member.

She has been for the past six years, and is at present, a town meeting member from Precinct 8. She is a Director of the Arlington Boys Club, member of the Board of Directors of the League of Women Voters, Vice President of the Junior High West PTA, and Board member of the Parmenter PTA. She is also a Trustee of the Robbins Library and was recently appointed to the newly formed Citizens Committee for Better Schools.

Mrs. Spengler, commenting on her candidacy stated: "I am gratified that the group of outstanding citizens who have formed the 'Citizens for Town Management' should have considered me qualified for the office of selectman. I have agreed to run for the office after much deliberation and with the realization that public service of this sort will entail substantial personal sacrifice."

I recognize this as a challenge and opportunity to assist in bringing harmony, efficiency and orderly procedure into the relationship between the Town Manager and the Board of Selectmen and am confident that such a relationship will accrue to the public good."

ON DUTY

Thirty-four pieces of snow fighting equipment, including 20 belonging to the Town of Arlington went into action to do battle with Tuesday's snow storm.

A new MTA timetable goes into effect January 21, with five more buses being made available between the Center and Harvard Sq. during the day. Ten new buses will be available during the afternoon rush hours over the same route.

BLAME CLEANING FLUID

A surplus of cleaning fluid which leaked into the drainage system is said to be the cause of the "gasoline-like" odor in the high school last Thursday.

Some 1300 Arlington students were sent home from the school Thursday, when the odor was noticed. Firemen stood by just in case for some 94 1-2 hours over the weekend.

The cleaning fluid which is said to have a high gasoline content is now thought to have been the "culprit".

GRATITUDE

Nathan Thumlin, 6 Lantern Lane is one person who believes that the Town has an excellent Fire Department. Mr. Thumlin reported an oil leak in his house last week, and within a matter of minutes local firemen were on the scene to "take care" of the situation.

A LIFE FOR A LIFE

A discussion on the pro and con of "a life for a life" will be discussed by the American Heritage Group on Monday evening, January 23, at 7:30 p.m. at the Robbins Library.

More Than Three Hundred To Benefit From Increase

Arlington's 300 school teachers will get more money starting next September as the result of action taken by the local school committee at a meeting Tuesday night.

Six members of the committee, along with Superintendent Clifford Hall and four members of the Teachers Association discussed the teachers salary situation at the meeting and as a result the board decided to grant \$300 increase per teacher starting next September.

One hundred dollars of the amount will be forthcoming from September to December, 31, 1956 and will come under the 1956 school budget. The other \$200 will be granted starting January 1, 1957, and will be included in the 1957 school budget.

At the same meeting the committee voted to change the district line separating Junior High East students and Junior High West students in the so-called "Indian Hill" section of Arlington.

As it now stands, youngsters north of Rindge street attend sessions at the Junior High East. The new ruling would allow youngsters in the north and west of Winchester street to go to the Junior High West. Youngsters living in the area east and south of Winchester street would still attend the Junior High East. The change will go into effect in September.

Meanwhile, it was announced by the school department that Myrna Clancy, a fifth grade teacher at the Locke school since September had accepted a position at Boston State Teachers College, starting next week.

AID HOSPITAL GUILD

Participating in the Annual Dedication Day for the Gift Shop of the Holy Ghost Hospital Guild, January 21, will be Mrs. Gordon Grant, Mrs. Stanley Wilk, Mrs. Joseph Jefferson, and Mrs. J. L. Larsen of Arlington.

Police Chief Ryan Asks For Spiritual Revival At Home To Combat Juvenile Delinquency

In a release to the NEWS Chief of Police Albert Ryan stressed the fact that certain incidents concerning juveniles which have taken place recently will not be tolerated. The release went on as follows: "Juvenile delinquency locally has never presented too great a problem. This community has always enjoyed a good reputation and as a result many fine citizens have established their homes here.

"However, certain incidents have occurred recently, which will not be tolerated, and it is not our intention to remain passive and permit an insignificant minority to defile that reputation.

Parenthood involves many responsibilities and must be accepted by those who enter that state. The wave of moral decadence engulfing the world can be stemmed by a spiritual revival, which necessarily must commence in the home.

"If all parents will recognize and accept that fact, it will not be necessary for the outside agency to correct a situation, which they the parents, have the power to resolve. The stigma attached to less fortunate communities will never prevail here if all co-operate and make an honest effort to contain the situation to a minimum."

2 From Arlington In Phi Beta Alpha

Two local students, Ted Maggio and William McHugh recently became members of the Phi Beta Alpha Fraternity at Northeastern University.

Maggio, who lives at 53 Magnolia street, Arlington, was graduated from Arlington high school in 1952 and is an economics major in the College of Liberal Arts at Northeastern, Class of 1957.

He is a member of the varsity football team, Cadet Lt. in the R.O.T.C. Advanced class, and a member of the advertising and marketing society.

McHugh, who lives at 9 Henderson street, Arlington, was graduated from Arlington high school in 1952 and is studying mechanical engineering. He will graduate in 1957.

He is a Cadet LT. D.O.T.C. Advanced class, a member of the S.A.M.E. Society, and a class cabinet member.

To Mr. and Mrs. Adolph R. Gricus (Aldona A. Klempa) of 151 Highland avenue, Arlington a daughter on Jan. 3.

First Sports Night At Cambridge

The Holy Name Society of the Immaculate Conception Church (North Cambridge) will hold its First Sports Night in the New School Auditorium, Tuesday evening, January 24. Celebrities from all branches of sports will be present. Dick Lucas of Boston College (O'Melia trophy winner), Bob Cousy of the Celtics, Tony DeMarco, and many others. William Linsky, trainer of the Cambridge High School, will be Master of Ceremonies. Eddie Boyle, former NBA official, will be the principal speaker. Musical entertainment and the Red Sox movie dedicated to Harry Agganis will be shown. The co-chairmen are John Sullivan and Bill Curtin; Joe Bane, secretary; John O'Brien, tickets; and Bill Dunn, publicity. Father Alfred Mullen is the Spiritual Director of the society.

Former Resident Man-of-the-Year

Andrew A. Skilling, formerly of Arlington and currently residing at 18 Brookside avenue, Belmont was designated "Man-of-the-Year" at the annual dinner meeting of the L. F. Bruno Agency of Ten Equitable Life Assurance Society, as much as the Agency produced more life insurance business than any agency of any company in the Commonwealth of Massachusetts this designation was extremely significant.

Mr. Skilling, before joining The Equitable 10 years ago, resided in Arlington and was manager of the Insurance Department of the Arlington Five Cent Savings Bank. He has a host of friends and clients in Arlington and is a member of the Heram Lodge A.F. and A.M. and was active in the affairs of the First Baptist Church.

Miss Patricia Crowley of 88 Menotomy road, Arlington, is chairman of the Junior Philomatheia Club Ski Weekend to be held at Eastern Slope Inn, North Conway, N. H. on January 27, 28 and 29.

Town Receives Identification Cards For Children

Plastic identification cards for every schoolboy and girl in Arlington's public and parochial schools were donated to the town today by Arthur F. Braverman, president of the Trimount Plastic Company, 71 Dudley street, Arlington.

The ID cards, although primarily intended for the identification program within Arlington's overall Civil Defense plans, have a definite, immediate value, according to Lt. Philip Sweeney, CD director.

Lt. Sweeney, a member of the Arlington Police Department noted that the cards will carry the child's name, address, nearest relative, date of birth and religion.

"This information," Lt. Sweeney declared in accepting Braverman's donation, "will provide fast and important facts about these children in the event that they are hurt in an accident, or lost."

"Naturally," Lt. Sweeney continued, "as Civil Defense Director I am concerned with the identification problem connected with any possible enemy attack. But as a police officer, I am also concerned with that same identification problem should any other type of disaster occur here in Arlington. Therefore, these thousands of cards serve an important double purpose."

Today's contribution is not the first made by Braverman for Arlington's children. Several years ago he supplied Junior Police badges for the youngsters, which were instrumental in the speedy return of youngsters who wandered away from their homes or playgrounds during the summer months.

Arlington Residents At Heart Fund Drive

Arlington 1956 Heart Fund area chairmen attended an organizational meeting at the home of the

general chairman, Mrs. Theodore O. Bogosian, at 6 Standish road here yesterday, Jan. 18. Heart disease is the nation's number one health problem. Focal point of the month-long drive in February will be Heart Sunday February 26, when door to door collections will be made.

Attending were: Berg Keshian 69 Ridge road; Mesdames George A. Harris, 196 Cedar avenue; J. Milton Washburn, 24 Coolidge rd.; Norris H. Hoyt, 56 Florence ave.; Kenneth W. Fisher, 68 George st.; Joris M. Brinkerhoff, 50 Bradley road; Arthur D. Saul, Jr., 24 Gray street and Marion Carlson, 93 Churchill avenue.

"Burn,s" Pucksters Back On Top After 1-0 Melrose Win

Arlington high school's hockey team which fell from the undefeated ranks a week ago when it was beaten by Stoneham 13-1, climbed back to the top of the G.B.L. "heap" with a stunning 1-0 shutout over highly-regarded Melrose, Saturday.

Melrose, a team, which appeared headed toward the league title, last week after Arlington had dropped its first contest and Belmont went through its third contest without a win, now finds itself in a deadlock for the league with the locals. Three other teams — Stoneham, Newton, and Belmont are also still "very much" in the race.

Arlington, unable to do much offensively as it concentrated on stopping the league leaders attack which had netted 16 markers in four contests, had but six tries to put the puck past goalie Tryder, but a tremendous effort by Gerry Cronin late in the second period paid off in the form of the only goal of the game.

Melrose, led by the high scoring Don Macinnis, was unable to do much with the Arlington defense and the local goalie John Apprill was called upon to make only 16 saves throughout the contest.

Meanwhile, Stoneham, which handed Arlington its one setback of the season last week was held to a 3-3 deadlock by Medford, while Newton moved into a tie with Stoneham by belting Cambridge Latin 5-0.

Belmont high school, defending champion, but winless in its most recent three contests, blew a 3-1 lead against Rindge Tech early in the second period, but roared back to score seven times in the rest of that period and in the final segment to lock up a 10-3 decision and move to within three points of first place.

In the goals against department in the league Melrose Bill Tryder has allowed but four in five games, while John Apprill of Arlington has allowed a like number.

Fryer Gives Locals Third In B.A.A. Games

Carl Fryer of Arlington high school accounted for all his team's points to give the local track entry third place at the B.A.A. track meet at the Boston Garden Saturday.

Babson Discusses PROHIBITION

(Exclusive NEWS Feature)

Roger W. Babson

BABSON DISCUSSES PROHIBITION

My father used to say to me: "Roger, avoid the words *NEVER* and *ALWAYS*; also do not put dates on your forecasts." In discussing this unpopular subject of Prohibition, I will now observe his advice.

PROHIBITION COULD RETURN

First, let me say I am not forecasting the success of the Prohibition Party as a political factor. Rather, I am forecasting that one, or both, of the major parties will put some form of Prohibition in their platforms. The curse of the liquor traffic may be so different now than 25 years ago; but there is one great difference.

In 1933 when Prohibition was overwhelmingly defeated, there were no great industries to put up the funds to continue Prohibition, while the great brewers, distillers, and other liquor interests supplied the funds to kill it. Then, however, there were only 20 1-2 million automobiles. Today—with 50 million automobiles—the situation is very different. In the next fight over Prohibition, the automobile industry (now the second largest) which includes manufacturers, sales agencies, the great gasoline industry, as well as the owners of property rented by these interests, should heavily support the Prohibition cause. And this group is increasing every year as more cars go on the roads. There are now over 225,000 filling stations earning nearly a billion dollars annually.

METHODS OF PREVENTING ACCIDENTS

Safety belts, compulsory car inspections, canceling of licenses and even jailing offenders should help prevent accidents or make them less serious. However, none of these things seem to be effective. The main cause of accidents is with the brain of the driver. Hence, the great importance of insisting upon drivers keeping in line and not passing except where specifically permitted.

The basic reason why drivers disobey traffic rules, crossing lines driving fast, ignoring intersections and signs, is lack of mental control. People are all too willing to take chances. But civilization has progressed by a constant tempering of this instinct to risk, by education, religion, and laws working toward the development of self-control. This is a very important fact which parents and teachers should recognize.

LIQUOR AND SELF-CONTROL

There are three biological effects of drinking. 1—Drinks "pep" one up. Liquor, even in very small amounts, gives people temporary courage to do and say things they otherwise would not. 2—Drinks enable people to forget—but this means forgetting driving rules as well as troubles. 3—Drinks are habit-forming. No one ever expected to become a slave to drink when he started simple social drinking.

Not only are automobiles increasing every year by several million and the population by about 3 million, but the age when young people start to drink has lowered. The cocktail party, along with the above-mentioned factors, has made liquor a national problem which must be conquered. It may get worse before Prohibition, in some form, returns; but it is a sure forecast that it will return. Perhaps one plan would be to prohibit sales to those holding drivers' licenses. Even the new four-lane turnpikes do not solve the difficulty, as they develop a "sleepitis."

NEW PROHIBITION WILL BE DIFFERENT

How the liquor curse will be handled, I do not know. As my friend Deleavare King says, it is a problem of the three E's—Education, Engineering, and Enforcement. The most common suggestion is that we all have a license either to buy liquor or to drive a car. This, however, will not alone solve the cocktail-party danger and the fact that the self-control and judgment of many individuals are not affected by a little liquor—while others are affected almost by the smell of it.

I hope readers will not take this column as propaganda for Prohibition, as I believe the person who does not drive a car has a right to drink. However, with 99 being killed each day and one seriously injured every 25 seconds, and these figures constantly increasing, something radical must be done. Also, unless the brewers and distillers themselves "see the handwriting on the wall" and help solve the problem, the securities of such companies face a terrific decline, as happened when Prohibition went into effect in 1919.

Small Fry Day Next Saturday

The Arlington Boys' Club will hold its first Small Fry Day Saturday, January 21, at the Club House, at 10 a.m. All members are invited to bring their younger brothers and sisters for a good time. The entertainment will be highlighted by magician Roger Kaufman.

A Cartoon Carnival, door prizes, novelty acts are also on the program. Club members "be a big brother" to the younger members of your family and bring them to the Boys' Club Saturday morning for loads of fun.

"Francis Covers The Big Town" starring Francis the talking mule, plus a Chapter 14 of "Black Arrow" and a cartoon.

Record Hop At Fidelity Club

Another of the Senior Record Hops held at Fidelity House will be conducted Friday night, January 20 at 8:15 p.m.

The dances are restricted to 10th grade and up boys and girls and membership in Fidelity House is not necessary for attendance.

Teddy Bova will spin the records and Dan Bova will serve as M.C. Members of the St. Agnes Student Council C.Y.O. with Bill Caldwell as chairman will again supervise the affair.

Mr. and Mrs. Francis Leahy, 3 Indian Hill road, Arlington, announce the birth of a son at Mt. Auburn Hospital on December 28. Mrs. Leahy is the former Dorothy Donahue.

Committee

(Continued From Page One)

committee as are other citizens not incumbent town officers, who are vitally interested in securing the most efficient results from our local government.

In furtherance of its stated purpose, the committee selected Mrs. Kenneth C. Spengler to run for the office of Selectman in the forthcoming election. In announcing the candidacy of Mrs. Spengler, Mr. Doherty, chairman said: "We believe that the citizens of Arlington are entitled to know all about the progress of the form of government they chose in the referendum of 1952. To that end, we propose to publicize the government activities during the past three years; applaud those which have resulted in benefit to the town and see improvement where objectives of performance have fallen short of their potential. Of greater importance is the future performance of this government. We have sought out a candidate, Mrs. Kenneth C. Spengler whose public life in Arlington has been dedicated to the betterment of our own affairs and whose motives are above suspicion or reproach. Her record is replete with successful accomplishments in the public interest and we have full confidence that her election to the board of selectmen will establish a tone of dignity, and order that will reflect credit to the Town.

"We seriously urge every vote in Arlington to give support to this campaign for the office of selectman, by recognizing that good government under the town manager act in Arlington requires as its first precept that the members of the board of selectmen be in full and unqualified support of the form of government under which they serve.

"Second, that they clearly visualize their roles as members of a top level policy making board, not as associate managers, and, third, that, having clearly defined the basic policy to be implemented, they permit the manager to perform without interference and with full confidence in his integrity and ability to manage the town. Our candidate is dedicated to these basic principles and we must elect her to insure the progress that social, financial and moral security to all of us. Inasmuch as the Town Manager's contract is up for renewal this year, it is imperative that the results of this form of government be fairly appraised, that the role of selectmen be clearly defined.

and that the Town Manager, whoever he is, be given full and unqualified support to facilitate his administrative efficiency."

Bishop PTA

Mrs. John Kossak, president, will preside at the Bishop School PTA meeting this evening at 8 p.m. in the school auditorium.

Participants in the panel discussion on phases of education beyond the class room are Mr. William Canty, park and playgrounds; Lt. Philip Sweeney, safety rules and regulations; Mrs. Milton Anderson, Girl Scouts and Brownies; Mr. Elmer Schwamb, Cub Scouts; Mr. Joseph Walker, Joy Scouts. Mr. Hubert S. Sharp will act as moderator.

Teachers will be in the classrooms between 7:15 p.m. to 7:45 p.m. for brief conferences. Refreshments will be served by Mrs. Lee Burchstead and her committee.

ENGAGEMENT

Mr. and Mrs. William Cecil Dyer of Norfolk, Conn., announce the engagement of their daughter Dorothy, to James J. Golden, Jr., son of Mr. and Mrs. James J. Golden of Arlington.

Miss Dyer is a sophomore at The Teachers' College of Connecticut. Her fiancé attended Bentley School of Accounting and Boston University. He served with the Marines during the Korean War and is currently affiliated with the

YOU CAN'T LAUGH-OFF A COLD

Many of us regard a cold too lightly. We are inclined to laugh it off with an "easy-come-easy-go" attitude that bodes ill for our health. A cold is never a laughing matter—particularly when it brings on chills, fever, and aching feelings. Be sensible! Take the usual precautions to avoid catching cold. But if you do come down with one, get after it immediately. A cold that does not yield quickly to home treatment, or is accompanied by even a degree or two of fever, is serious enough to require the attention of your doctor. Call him without delay.

**Manager Asks Review Of
Sunnyside Avenue Situation**

The Sunnyside flooding situation returned again last week as a result of the heavy rains from the "sneak" Nor'easter. Sand bags were placed in the area to prevent serious flooding.

Despite this, there is hope that the situation will be alleviated in the near future as the result of the following letter received by the Town Manager from Commissioner Greenough of the M.D.C.

Edward C. Monahan
Town Manager
Town Hall
Arlington, Mass.

Dear Sir:
With reference to recent correspondence and conferences regarding the flood situation along Alewife Brook and in particular to that section of the brook in the vicinity of Sunnyside Avenue, I am advised that ten 12-inch drain pipes with flapper gates were installed by the Metropolitan District Commission in this vicinity in 1953. I understand that your Town Engineer has been furnished with a plan showing the location of these pipes.

I am advised that when these pipes and gates were inspected in November it was found that five were in good condition, four were partially blocked by debris, and one gate was missing. Since then I understand that the clogged gates have been cleaned and that the missing gate has been replaced. I am instructing the Captain of our Middlesex Fells Division to have these gates inspected periodically in the future in order that they may be kept in workable condition. In this connection I suggest that any future indication that these drains are not functioning properly should be reported promptly to him by you.

With regard to the suggested installation of dikes and pumps for the purpose of draining certain low-lying areas which have been built up in recent years, the Commission as you know is about to undertake flood control measures in the Mystic River Valley as authorized by an appropriation enacted last fall by the 1955 Legislature. Plans and specifications for this work, which will include improvements at the Cradock and Upper Mystic Lake dams and extensive dredging of the Mystic River Channel, and now being completed and it is expected that construction will begin in the very near future.

The Mystic Valley flood control

project is designed to lower the flood level of the Mystic River and this in turn, together with clearing of the Alewife Brook channel, will result in increasing the flow and lowering the level of the brook during flood periods.

In my opinion completion of the above project will result in material improvement of the drainage situation in areas adjacent to Alewife Brook, and I believe it would be advisable to postpone consideration of measures such as dikes and pumps until the actual results of the present work have been determined. Not only would the installation of such facilities involve substantial expense, both for construction and for maintenance and operation, but I believe that this might be considered as more properly an obligation of the Town rather than of the District.

Yours very truly,
Charles W. Greenough

Town Manager Edward C. Monahan has requested a review of the drainage situation in the Sunnyside avenue area as a result of conditions that have been described as "almost beyond control."

The request was sent in a letter to Commissioner Greenough by the Town Manager after the Commissioner's office had sent a letter to the local Town official explaining that plans and specifications for work in the area are now being completed and that construction will begin in the near future.

Charles W. Greenough, Chairman Metropolitan District Commission 20 Somerset Street, Boston, Massachusetts

Dear Sir:
In reply to your letter of January 6 1956, it is most pleasing to note the progress in the study of flood control measures in the Mystic River Valley, authorized by an appropriation enacted last fall by the 1955 Legislature. I am sure the people of the Town of Arlington living in the affected areas of the Town will be very happy to learn that the plans and specifications for this work are now being completed and that it is expected that construction will begin in the very near future.

With relation to the particular section of the brook in the vicinity of Sunnyside Avenue and your suggestion that the Town contact the Captain of the Middlesex Fells Division if any of the drains are not functioning properly after having been fixed by the M.D.C. in

November, 1955, I regret to inform you that it was necessary to contact Captain McCarthy Monday evening, January 9th, because the area in question had again become flooded despite the corrective action already taken by the M.D.C. As a result, I believe some of your men inspected the site Tuesday morning and found conditions almost beyond control. It is my understanding that they felt it was a losing battle against the high tides and that further engineering studies should be made to permanently alleviate the flood conditions.

Tuesday afternoon, January 10th, my office was besieged with calls from people living on Sunnyside Avenue whose cellars and oil burners, particularly, were seriously damaged during the previous twenty-four hours.

I am mindful of your feeling, as expressed in the last paragraph of your letter, that it would be advisable to postpone consideration of measures such as dikes and pumps until the actual results of the study of the major project have been completed, because additional corrective work might involve substantial expense, but I respectfully inquire if such expense at this time would not be entirely justifiable.

You will recall that when the matter was discussed at your office a few weeks ago, the suggestion was made by me and other Town Officials that the drain pipes be completely closed and sealed; also, that dirt barriers be erected along Alewife Brook which would be higher than the overflow of the brook, because it was our feeling that such barriers would go a long way in containing the water of the brook. In view of our very sad experience in the last day or so, would you please reconsider the entire matter for the purpose of determining some method that would relieve property owners along Sunnyside Avenue from the inconvenience and damages which they now encounter from time to time when we have as little as 1 1/2" of rain coincident with the high tides in excess of normal.

Your immediate attention to the foregoing will be sincerely appreciated. I wish to thank you and extend to you my sincere appreciation for the work already done and in contemplation, but it would seem as though some new measures must be taken along the brook adjacent to Sunnyside Ave. if we are to give the people living in Sunnyside Avenue some relief; hence, this request for a review of the entire matter.

Sincerely yours,
Edward C. Monahan
Town Manager

**Adjustment Counselor
At Arlington Schools**

It has been announced by the School Department that a trained school adjustment counselor has been added to the Guidance Department under the provisions of the new State act passed by the last session of the Legislature. The broad objective of the act, according to Mr. Bert A. Roens, director of the Arlington School Guidance Department who assisted in formulating the original bill, is the prevention of juvenile delinquency.

He explained that the new trained counselor will work with any school children who are showing early signs of maladjustment. It is known that emotional disturbances often cause them to be hostile, bitter children, defiant of authority, and perhaps eventually "juvenile delinquents" as defined by present law. Although Arlington has had an official record showing much less delinquency than many communities, it is known that parents as well as teachers have felt the need of professional assistance within the School Department in handling children who have trouble adjusting to both home and school routines.

Dr. Roens plans to describe in some detail how the enlarged program will function in actual practice at the open meeting of the League of Women Voters next Thursday evening, January 19 at the Library Hall. Joining him on the program will be Mr. Joseph Ambrose, supervisor on the Massachusetts Youth Service Board. He will explain how that agency is now concentrating on a preventive program in the communities aimed at combatting any increase of juvenile delinquency.

Joseph Malatesta

Funeral services were held Saturday with a requiem high mass at 10 a.m. at St. Agnes Church, Arlington for Joseph Malatesta, 79, of 20 Mt. Vernon street, former Boston hotel owner, who died Thursday at Symmes Arlington Hospital.

Born in Genoa, Italy, Mr. Malatesta was a lifelong member of the Medford Lodge of Elks. Surviving are his wife, Rose

(Caricillo) Malatesta; two sons, Leonard and William; and four daughters, Miss Josephine, Miss Evelyn, Miss Norma, and Mrs. Theima Bonzagni, all of Arlington.

BIRTH
To Mr. and Mrs. John V. Butler (Jeanne M. McCurley) of 18 Buxton avenue, Somerset a son named David Michael on Jan. 1, at Symmes Arlington Hospital.

LEGAL NOTICE
BOARDS OF APPEALS SPECIAL NOTICE
On Monday evening, January 23, 1956 at 8:00 O'Clock P.M. there will be a public hearing in the Committee Meeting Room, located in the basement of the Robbins Town Hall, Arlington, Massachusetts on the appeal of Joannis Papaleca to the Board of Appeal from the refusal of the Inspector of Buildings to issue a permit to alter existing two-family wood frame building into a four-family dwelling located at 209 Broadway, Arlington, Massachusetts. Said dwelling is located in the Business "A" District. The requested alteration would be a variance of Section 13-3 Part 29, Par. 116 of the Building Code.
All persons interested may be heard at the time and place so appointed.
Per Order of the Board of Appeal
Clifford E. Lansil
Secretary

BOARDS OF APPEALS LEGAL NOTICE
Notice is herewith given in accordance with the provisions of Section 4, Paragraph 5 of the Zoning By-Law that there has been filed by Mary B. Myers of Arlington, Massachusetts a petition seeking permission to establish the legality of a single-family dwelling that has been occupied as a two-family dwelling for many years located at 34 Gray Street, Arlington, Massachusetts. Said dwelling is located in the Residence "A" District. Said two-family use is a variance of Section 13 of the Zoning By-Law.
Hearing in regard to the said petition will be held in the Committee Meeting Room, located in the basement of the Town Hall, Arlington, Massachusetts on Monday evening, January 30, 1956 at 8:00 O'Clock P.M.
Zoning Board of Appeals
Clifford E. Lansil
Secretary

BOARDS OF APPEALS LEGAL NOTICE
Notice is herewith given in accordance with the provisions of Section 4, Paragraph 5 of the Zoning By-Law that there has been filed by J. Joseph Donahue of Arlington, Massachusetts, an appeal from the refusal of the Inspector of Buildings to issue a permit to alter existing single-family dwelling into a two-family dwelling located at 9 Addison Street, Arlington, Massachusetts. Said alteration would be contrary with Section 13 of the Zoning By-Law.
Hearing in regard to the said appeal will be held in the Committee Meeting Room, located in the basement of the Town Hall, Arlington, Massachusetts on Monday evening, January 30, 1956 at 8:30 O'Clock P.M.

CHRISTIAN SCIENCE

Why the spiritual qualities of honesty, unselfishness, and obedience are important to an understanding of Truth will be brought out at Christian Science services Sunday.

Scriptural selections to be read in the Lesson-Sermon entitled "Truth" will include Jesus' parable of the sower and his explanation of its meaning for his disciples (Luke 8).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (272:3-8): "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek. In the soil of an honest and good heart the seed must be sown; else it beareth not much fruit, for the swinish element in human nature uproots it."

The Golden Text is from Psalms (86:15): "Thou, O Lord, art a God full of compassion, and gracious, long-suffering, and plenteous in mercy and truth."

MORE REPAIRS

An Engineering consultant has informed local officials repairs amounting to \$123,000 are needed in the Town Hall. The estimates included: \$40,000 for new boilers, \$18,000 for a ventilating system in the Memorial hall, and \$65,000 for changes in piping.

Thomas Kenna Seeks School Board Post

Thomas D. Kenna, Jr. of 84 Palmer street, a candidate for school committee, wishes to make known to the voters of the town his qualifications for the office.

Mr. Kenna is 30 years of age. He is married to the former Patricia Beresford of Medford. A resident of the town for most of his life, the Kenna family lived in Arlington since before the turn of the century. His grandfather John Kenna, managed the old Hutchinson Market on Massachusetts Ave. near Arlington Center.

Mr. Kenna attended the Russell School when Miss Chatter was teaching the first grade there. He joined the navy upon his graduation from Boston College High School, serving in the South Pacific with the Seventh Fleet.

Upon his discharge from the service Mr. Kenna enrolled at Holy Cross College in Worcester where he was graduated with a bachelor of arts degree. Mathematics was his major subject at Holy Cross. He is now a practitioner at the law firm of Boston College College Law School. Also, Mr. Kenna is continuing his education at the Bentley School of Accounting and Finance, a few evenings a week.

If he is elected to the office of school committee Mr. Kenna intends to work diligently toward the realization of an increased enrollment by Arlington students in colleges and specialized schools upon their graduation from the high school. Mr. Kenna is in favor of the open school committee meeting. He believes that an informed population is a strong factor toward enlisting greater public support in the fight for better schools for our children.

"Any Ordinary Working Day"

Members of the Arlington Boys' Club hoop team, 59-50 winners over the Arlington high school team Saturday. Back row, left to right: Coach Bill Cronin, Charlie Daley, Jack Bowler, Dick O'Connell, Dave Crowley Jr., Paul Leonard, and Coach Dave Crowley, Sr. Front row, left to right: Bob Bowler, Dick Bowler, mascot Frank Sexton, Charlie Leverone, Jack Crowley and Ollie French.

Dick Bowler, O'Connell Pace Boys Club To 59-50 Victory

The March of Dimes benefit basketball game and square dance turned out to be an outstanding success, despite unfavorable weather conditions. The game between the Boys' Club basketball team and the Arlington High School squad was a close contest with the Boys' Club winning by a score of 59-50. The first quarter ended with the Boys' Club on top 13-7. At the end of the half it was deadlocked at 24 all with all but one player in the double scoring column. The third quarter saw the Boys' Club surge ahead by seven points 43-35.

Both teams played exceptional, fine basketball. The Boys' Club scoring honors went to O'Connell with 13 points, followed closely by Dick Bowler with 12 points. The High School squad, coached by George Lowder, showed a good brand of basketball led by Mord and Tavelonian, with eight points apiece. Beardsley and Crowley each scored seven points.

Numerous prizes were awarded by Chairman Robert E. Mahoney with the prize to the most outstanding player going to Dick Bowler, who set up numerous plays and aided his team in performing a good exhibition. A radio, a phonograph player, a spot-

Samuel Carlisle

Samuel R. Carlisle, 116 Massachusetts avenue, Arlington, died suddenly, Sunday, in Miami, Fla. A management consultant for the National Foremen's Institute Mr. Carlisle flew to Miami Sunday on a consultant assignment for Pan-American Airways.

A management consultant for the National Foremen's Institute Mr. Carlisle flew to Miami Sunday on a consultant assignment for Pan-American Airways.

He was graduated from Dartmouth College in 1930, was a Director of the Massachusetts Municipal Personnel Association, a member of the personnel board of Arlington; he also conducted several personnel courses at Thayer Academy and Tufts University.

Surviving are his wife; two daughters, Miriam 9, and Anne 13, a sister, Mrs. Fred Sonia of Lancaster, and three brothers: Carl of Easton, Thomas of Clinton, and Dr. Paul of Los Angeles.
